COMPANY
PROFILE

A word from Chairman

The ever-changing world of the Clearing and Forwarding Sector requires its players to constantly be on the lookout of more innovative and sophisticated ways to stay in the game.

As our sector goes hand in hand with transportation and logistics, it goes without saying that remaining dynamic, effective and efficient so as to meet our clients' needs is mandatory.

At ImpoExpo Logistics, we not only pride ourselves in possessing and maintaining these traits but also in always improving our services so as to not only meet but exceed our clients' expectations. This keeps us well ahead of the game.

As you go through our profile, we are confident that you will want us to handle your 'ImpoExpo' and logistics needs.

Thank you.

Who We Are

ImpoExpo Logistics is a client-centered clearing and forwarding company that is passionate about serving its clients with excellence in meeting their unique needs by providing end-to-end (source to destination) services of the logistics and clearing value chain.

The concept of Freight forwarding may seem complex and foreign to most but at ImpoExpo, we ensure that the flow and management of the consignment, warehousing, processing, deployment, transportation, tracking and storage services is not only seamless for our clients but also simplified.

Not only are our services being tailor-made to suite our clients' needs, but are rendered with diligence and passion. as we keep our clients at heart and endeavor to be responsive and proactive at all times.

Mission

To leverage technology in creating and delivering simplified logistics solutions that meet clients needs in a digital platform.

Vision

To become the country's leading Freight forwarding and Logistics company that delivers services of world-renowned caliber.

Core Values

- Teamwork
- Integrity
- Professionalism
- Innovation
- Dynamism

OUR SERVICES

Overview

Our services are integrated and can also stand as individual service components. The end is to ensure that we provide a broad packaged logistics service offering for our clients, large and small. The point is, no matter the service you require, ImpoExpo Logistics will always exceed your expectations.

 **Transport Optimization**

 **Project Cargo Logistics**

Supply Chain Solutions

Are your supply chains supporting or hindering your company's goals?

By switching from a traditional supply chain approach to a digital and collaborative 4PL platform, you can unleash the full power of your supply chain.

Your customers require dependability and efficiency in a world where things can change in an instant. Faster time-to-value is critical, but limited resources make optimizing your supply chain difficult. Working with a seasoned 4PL supplier provides you with genuine advantages that help you stand out from the competition and boost client satisfaction.

Connect your company to our delivery mechanism and turn your supply chain from a cost centre to a competitive advantage.

Digital Solutions

ImEx

ImEx Digital Freight Partner

The digital era for the supply chain is well underway whereby technology and supply chain having seemingly become inseparable. ImpoExpo Logistics believes that innovation is key to growth in any industry and discipline. Shipping and Freight have no exception to this rule.

We have managed to create a digital freight partner system that is capable to perform clean, safe, secure, and reliable logistics to manage client's freight at their fingertips in a single platform that can be accessed anytime and anywhere. This operating system will go by the name ImEx.

ImEx will be available in whatever devices (Smartphones, Personal Computers & Tablets) and available in all App stores thus include in Google Play & Apple iStore not only that but also will be available on its official web-app with the link www.imex.com.

ImEx has unique and powerful features that can simplify freight processes, create room for transparent logistics, and features that can help a client with problems of loss of documents, delays, surcharges (extra costs) such as demurrage, detention & cargo damage.

Value-Added Services

The basics that ensure seamless delivery and transportation..

This enables a more thorough service and is an important tool for improving client satisfaction. This is especially crucial when it comes to activities that rely on a customer's faith in a business.
